Re: WT Docket No. 02-55  
*Ex Parte Presentation*

Dear Ms. Dortch:

On Wednesday, September 8, 2005, Lawrence Krevor, Vice President, Government Affairs – Spectrum, Sprint Nextel Corporation (“Sprint Nextel”), James Goldstein, Director – Spectrum Reconfiguration Projects, Sprint Nextel, and I held three separate meetings with John Branscome, Acting Legal Advisor to Kathleen Abernathy; John Giusti, Legal Advisor to Commissioner Michael Copps; and Barry Ohlson, Senior Legal Advisor to Commissioner Jonathan Adelstein, regarding the Commission’s above-captioned rulemaking on public safety communications in the 800 MHz band. At these meetings, Sprint Nextel’s representatives and the legal advisors discussed issues raised in pending petitions for reconsideration in this rulemaking, including the treatment of other SMR licensees in the band reconfiguration process and the interference abatement rules for non-public safety licensees. In addition, Sprint Nextel’s representatives reiterated the company’s unopposed request for an extension of the mandatory negotiation deadlines for BAS relocation.

Pursuant to section 1.1206(b)(2) of the Commission’s rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
